COSTS OF MOVING EMPLOYEE FURNISHINGS IN AND OUT
OF PRIVATE HOUSING IN THE UNITED STATES

1. The cost of moving furnishings in and out of the employee's residence in the United States is charged in one of two ways:
 - a. As part of the cost of shipment of those effects which are actually shipped, or
 - b. As part of the cost of storage of the effects which are placed in storage.
2. As separate items of expense, these fees are standard in the Washington, D. C., area:

Pickup and preparation of effects	\$ 4.00 per cwt
Storage charges per month	.40 per cwt (\$.35 per cwt under State averages)
Delivery out	1.50 per cwt

Example: An employee stores 7,000 pounds of his weight allowance:

Pickup charges	\$ 280.00
Storage for two years	672.00
Delivery out	105.00
Total	\$1,057.00

3. Charges for pickup and preparation of effects for shipment are included in the cwt shipping charge and vary with destination, e.g., \$45.20 per cwt for \$36.00 per cwt for etc.
